A Message from the Dean of Libraries

This year was a better one for the IUP Libraries. The Library's faculty, staff, and managers prepared a two-year plan and their considerable accomplishments of the year are outlined in these pages. A few matters deserve particular comment.

With \$400,000 in one-time performance funding, we purchased many books, databases, and videos. Taking into account the responses to the LibQUAL customer service survey of 2004, we particularly sought to add resources for graduate students. The administration committed itself to fund 3% increases in ESF and technology fee funds for materials to cover 2006-2007 inflation. And, we were allowed to retain a portion of the materials budget slated to be returned for budget savings. Given years of static budgets and reductions, these increases are extraordinary and I thank the administration for them.

The Information Resources Task Force report was completed for the Provost. Its recommendations for resources, services, and facilities are receiving attention.

Following years of work, grants and gifts were received to establish a digital lab with a large-scale scanner for digitizing Special Collection's mine maps, funded by the State's Bureau of Mine Safety, which made us a partner and center for processing maps to improve miner safety. Library staff collaborated with several of IUP's colleges to produce a research proposal for federal funding. A great deal of hard work has been given to this initiative by the team including Phil Zorich, Theresa McDevitt, Doug Shumar, Ed Zimmerman, Lester Bowser, and Glenn Himes.

The Orendorff Music Library opened in Cogswell with a wonderful reception in honor of its namesake. And, the Punxsutawney Regional Campus Library moved to a new facility.

In the spirit of building university community, the IUP Libraries sponsored activities throughout the year: Joe Paterno's visit during National Library Week, two book and media sales, a children's literature festival, a Scholastic Book Fair, exhibits to mark major IUP events, and bibliographies to support campus speakers. And, the President honored faculty members who had published with a reception in Stapleton.

"Customer" service was a focus. Stapleton's hours were extended to 2 am from Sunday through Thursday, after years of students' requests. GASP, a graduate orientation program, began and Bring Your Assignment, appointments for students with Library faculty, was promoted. Service response cards were introduced at all public desks. Discussions have begun to strengthen our liaison program with departmental faculty.

After the retirement of Media Resources staff members, Circulation staff accepted the media collection permitting the Instructional Design Center to move into Media's vacated space. We were, then, able to hire an Education Librarian to serve that College. These service changes helped us but point to continuing shortages in staffing.

It was a busy and demanding year with challenges but much to feel good about.

IUP Libraries Planning for "Steps Ahead"

The Indiana University of Pennsylvania library faculty, managers and staff have identified the following broad vision of service themes and goals for the future. These goals form the framework for library service to the University community.

The employees of the IUP Libraries affirm the following statement:

Vision

We envision a future for IUP Libraries:

- Where the services are prompt, satisfying and effective, drawing together the expectations of users with the discipline of librarianship;
- Where students and other university community members may learn how to locate, access and use resources as part of becoming information literate, life-long learners;
- Where university community members engage in active learning, independently or collaboratively, in one of the IUP Libraries, or through our gateway website;
- Where librarians and staff deliver services in a friendly and professional manner, partnering with teaching faculty and other university staff in the development of services;
- Where the information resources are rich, well-matched to the curriculum, up-todate, well-maintained and easily accessible to local and remote users.

We envision a future for IUP Libraries where all staff enjoy their work and are fulfilled by it.

Values

• As employees of the IUP Libraries, we are committed to work with each other in a friendly, honest and open environment that demonstrates mutual respect for our strengths and differences. In serving our users, we place high value on quality and timeliness of service provided in a professional manner.

Steps Ahead Goals, 2005-2007

Broad Goals for the IUP Libraries

- Seek ways to help the university develop its sense of community and identity
 - Design and begin implementation of a plan for Archives to address this goal
 - Invite each library unit to identify strategies to support this goal
- Enhance the graduate experience at the library
 - Build collections for graduate study and research
 - Redesign and enhance the graduate study lounge
 - Explore possibilities of additional service hours
 - Create programs specifically aimed at graduate students
 - Promote opportunities for feedback from graduate students
- Improve the appearance/functionality of the Stabley/Stapleton Complex
 - Explore the Information Commons Concept, especially with the new Provost
 - Plan for renovation and complete small upgrades
 - Enhance/improve the physical environment; focus on first floor
 - Enclose/expand ARAMARK's Java City Coffee Shop
 - Improve physical atmosphere
 - Seek to re-carpet, starting with first floor
- Promote and improve customer service
 - Improve communication between library and university faculty
 - Enhance training of public service employees and student assistants
 - Hold library-wide customer service program(s)
 - Examine study space to ensure that it meets student needs
- Develop technology to support services, resources, and staff
 - Develop digital repository
 - Expand virtual library
 - Support distance education
 - Improve collection analysis and development
 - Continue and expand student training
 - o Manage security
- Seek funding
 - Internally, a greater allocation
 - Externally
 - Grants, including indirects
 - Private donations
 - o Support recommendations of the Information Resources Task Force
 - Support recommendations of the Libraries' program review

Steps Taken, Goal Related Achievements, 2005-06

Help the university develop a sense of community and identity.

- Supported the American Democracy Project by creating and coordinating exhibits in the library.
- Sponsored Friends of the IUP Libraries program, "Decision Makers of Sutton Hall," as part of the activities for the inauguration of President Tony Atwater.
- Sponsored the campus appearance of Penn State football coach Joe Paterno as the first in the Shafer Speaker Series.
- Hosted presentation by Dr. Gawdat Bahgat entitled, "Iran: Is a New War on the Horizon?"
- Produced two library newsletters and two Friends of the IUP Libraries newsletters (Ex Libris) for distribution to the university community.
- Participated in IUP Reunion Weekend with an open house demonstration of the large format Cruse digital scanner and with a piano recital by library donor, Ann Hunt and others.
- Presented thirteen library exhibits on a variety of topics.
- Held a fall media sale and a spring book/media sale for the public.
- Sponsored a Children's Literature Festival in cooperation with the Indiana Childcare and Development Centers.
- Hosted a rededication and plaque unveiling for the new Orendorff Music Library.
- Created a web page for the book *Fast Food Nation* in support of the freshman Common Reader initiative sponsored by Student Affairs and the First Year Experience Committee.

Enhance the graduate student experience at the library.

- Upgraded amenities in the library's graduate student lounge with newer computers, DVD/VCR player, and large screen television.
- In cooperation with the Graduate School, offered the Graduate Academic Success Program (GASP) library orientation sessions designed specifically for graduate students early in fall semester.
- Developed the digital repository of Electronic Theses and Dissertations (ETD) with fifteen IUP dissertations that are also cataloged in the library's online catalog.
- Committed \$400,000 in performance funds for acquisitions, emphasizing graduate level resources.
- Extended library hours from 11:45PM to 2AM, Sunday through Thursday.
- Continued participation in the annual Graduate Student Orientation in August.

Improve the appearance/functionality of the Stabley/Stapleton complex.

- Remodeled the circulation/reserve area to house the Media Circulation desk.
- Met with ARAMARK representatives to plan the renovation of the Java City Coffee Shop.
- Reupholstered the Ikea furniture located in front of the Java City Coffee Bar.
- Moved IDC staff to second floor of Stabley. Redesigned and painted the area.

- Redesigned and painted the Media Services area to accommodate the large format Cruse scanner.
- Met with Institutional Advancement regarding library needs. Institutional Advancement has placed the library renovation on its 3-year plan for fundraising.

Promote and improve customer service.

- Created two new group study areas using surplus office partitions.
- Established Ingenta account to improve access to hard-to-get interlibrary loan items.
- Ordered out-of-print seminal works to fill gaps in the library's collection as identified by teaching faculty or by PALCI requests.
- Initiated McNaughton audio plan as an extension of the recreational reading program.
- Held a retreat focused on customer service for library faculty and staff in which two consultants introduced and explained the Fish! Philosophy.
- Expanded student group study space on the ground floor after the Music Library moved to the new Orendorff Music Library.
- Consolidated Media Circulation on the first floor of Stapleton with other Circulation Services.
- Moved two branch libraries into new facilities and established services at the Orendorff Music Library and the Northpointe Regional Campus. Prepared and planned for a similar move at the Punxsutawney Regional Campus.
- In the Instructional Design Center, assisted in the development of a model for the design and implementation of complete online programs, i.e., M.S. in Safety Sciences.
- To insure quiet study space in the library, revamped security measures and hired staff member for evening monitoring.
- Held two meetings between librarians and liaison faculty to discuss ideas to strengthen relationship.
- Set up library liaison task force and discussed plan of action for 2006-07.
- Revised and completed Information Literacy Tutorial, Survivor, with self quizzes and posted it on web page.

Develop technology to support services, resources and staff.

- Used ContentDM software to support digital projects of university archives images, art slides, and mine map images.
- In Acquisitions, added new database titles to the library's website as they were licensed and arranged for training.
- Received ACAS software to enable collection analysis. Performed collection analysis for new programs; MS in Critical Asset Protection Science, Ph.D. in Safety Science, and COR in GIS.
- Continued move toward a digital audio repository of Music Department concerts and recitals, researching copyright issues.
- Created a tutorial that can be used by the faculty in their class via WebCT.

Seek funding

- Developed and executed a plan, approved by the State System, for the use of \$400,000 in performance funds to enhance library acquisitions.
- Promoted the first annual Shafer Speaker Series as a library fundraiser.
- Submitted PHMC grant for oral history interviews with members of the local African-American community.
- Awarded ACPAC Technological innovations grant for travel to SAA workshops at Penn State.
- Co-authored LSTA grant application to fund Information Literacy project.
- Awarded LSTA grant for digitization of mine papers and design of historic western Pennsylvania mine information web site.
- Cooperated in preparation of PASSHE faculty professional development grant submission to study best practices for audio capture, delivery and preservation.
- Received initial installment of multi-year gift to fund multimedia workstation for the disabled.
- Received three percent increase in ESF and Technology fee funding.
- Presented Information Resources Task Force report to the Provost and Deans.

Library-wide Committees, Charges/Purpose and Membership
